

Honda CB750 K0/K1

Honda CB750 K0/K1

A true legend: the 1970 Honda CB750 K0/K1 in classic red. This bike has been fully rebuilt and has only 600 km on the clock since the engine restoration.

This model combines early K0 features with the frame style of the K1, as often seen in the 1970 transitional models. Originally delivered in Finland, now in outstanding condition and ready for riding or collecting.

A rare opportunity to own one of the most iconic motorcycles ever made, in near-new condition.
