Honda CB750 K6

This 1977 Honda CB750 K6 is a beautifully preserved classic, finished in deep dark red. It received a full engine rebuild in 2019/2020 and has only covered 3,000 km since.

The K6 marks the end of the original CB750 line, still featuring the iconic 4-into-4 exhaust system. Originally delivered in Sweden, this bike is now in excellent mechanical and cosmetic condition – ready to ride or display.

A great opportunity for collectors who want a fully refreshed, authentic 1970s Honda.
