

Yamaha CS3

Yamaha CS3

The 1971 Yamaha CS3 is a remarkable example of early 1970s motorcycle engineering, offering a blend of performance and style that was ahead of its time. This model features a 195cc parallel-twin two-stroke engine, delivering approximately 22 horsepower at 7,500 rpm. Its lightweight design and nimble handling made it a favorite among riders seeking both city agility and open-road capability.

Key Features:

- **Performance:** The CS3's engine produces around 22 horsepower at 7,500 rpm, providing a spirited riding experience for its class.
- **Design:** With its classic lines and chrome accents, the CS3 embodies the aesthetic of early '70s motorcycles, appealing to both riders and collectors.
- **Innovation:** Equipped with Yamaha's Autolube system, the CS3 automatically mixes oil and fuel, reducing the hassle of pre-mixing and ensuring optimal engine lubrication.

This Yamaha CS3 offers a unique opportunity to own a piece of motorcycling history, combining vintage charm with the thrill of a two-stroke engine. Whether you're a collector or a rider with an appreciation for classic bikes, this CS3 is sure to impress. Contact us today for more details or to arrange a viewing!
